

I, _____, want to officially state my support for Chloe Cartwright's application to again redesignate her land at SE, Sec. 31, Twp. 28, Rng. 3, W. of 5thM. In the County of Rocky View. It appears Chloe has made significant adjustments to her goals in favor of the neighbors who were previously opposed to a larger-scale recreation business. I believe the neighbors will appreciate that this new proposal will lower traffic volumes, and water usage and be less intrusive on the neighborhood and the environment. The new lot owners should be interested in the environment and have interests in common with the existing residents.

I fully support this application. _____
